Continuation of 5. does NOT place the application in condition for allowance because: This amendment removes issues that could be considered new matter but applicant has not addressed the response to arguments provided by the examiner in paper number7. However, the examine understands the art used in papers 5 and 7(Nuber et al.U.S. Patent No. 5,742,623, Bock et al. U.S. Patent No. 5,948,119, and Galbi U.S Patent No. 5,768,292) have error detection and correction preformed and therefore must be enabled. Therefore this application is not in condition for allowance.

Continuation of 10. Other: The amendments to the claims will be entered as they place the claims essentailly in the original condition..
